**STRESS RELEASE HEALTH
& WELLBEING: # 89**

**“I am”
marred within my
human destiny by
tragedy and
mishap, until I
discover I have
body, mind and
soul.**

**Let them now
bond with the
Holy Ghost, being
the records of the
DNA to remove
this deformity
from my genetic
lineage.**

**Therefore my
offspring will also
be cleansed.**

**I now reinforce
the three as one
and redeem my
human spirit
from its demons.**

**I can then
resurrect
perfection in
everything I do.
Then shall the
earth's karmic
laws be rescinded
by love.**

**I can then go free
to plan to be
whoever I want to
be.**

ELAINE'S QUOTE THIS MONTH:

Honor you by knowing the structure of your thoughts effect your cells and the cells will use these thoughts. If you think by negative fears your cells will act on them. If you think positive the cells will plan the path to the wonders of success.

A MESSAGE FROM ELAINE

Living our dreams. What makes us part of them? Every thought we have is the function of our space in time to plan and see the pictures is to open our seeds of thought and weed out the negative implants of doubts and fears. Remember outside advice will never be honest, only your cells can guide you to the emeories of your dream and be honest to you.

Humanities Role in the evolution of the soul

Page 43 & 44: *Our cells were slaves – forced into doing what society asked. This was rarely the right thing for our happiness.*

In fact, our cells' natural instinct is to work for us, not others.

They are programmed to cherish us.

They are the designer of our lifetime ambitions

They hold the right for us to love ourselves and to work for our soul

They hold the right to harvest the power of our Supreme Beings.

The moment we lay ourselves at someone's feet and worship them,

the moment we become a sacrifice to their demands, we have forgotten

who we are and we leave our soul in waiting for our cells to come back to it.

Page 88: *Love is telepathic. Lovers' thoughts and emotions can travel across immense distances. We have all experienced that warm feeling when we think of our loved ones. We are joined in harmony by the power of thought.*

Thankyou to all level 3 & 4 practitioners who attended our Culburra workshop at Seagull Lodge.

It was a very successful weekend with much learning, laughter and sharing. We have every confidence that you will carry PrimeTuning for us into many places and we are here to support you all the way. Elaine, Cath and Sharron.
